Was „live“ ist ändert sich
mit den Medien, die
Lebendes herstellen

Theater ist nicht live

live: effect response to
recording technology

Dichotomie: live/recorded
↳ complementary
„recording technologies brought
live into being“

performance/audience =

- co-presence
- live broadcast (time/space)
- live recording
- online live users (facebook)
- group presence
(chat, SMS, Verbundenheit)

→ mediale Ko-Präsenz

"feel liveness" → effect on us

(realtime, feedback

→ not about technology
but about experience

Leim (Gadamer) to liveness

→ wie wir auf die Sprache
der Technologie antworten

live = bridge from self to other

Wir fließen den
Phänomenen die liveness ein.

audience = participate, active
↳ experience virtual as live
↳ work of art as contemporaneous

↳ Aufmerksamkeit
→ phänomenologisch
